
HOLIDAY NEWS

Wishing you a *Merry and Happy* holiday season!

Legacy Sport & Wellness Center and Legacy Institute have been busy the past nine months. We realized our goal and opened a school for ELDOA and soma training! Legacy hosted April, June, and December ELDOA 1 courses and a November ELDOA 2 course. Our next ELDOA 2 course is scheduled for February 26-28, 2016. Scott Herrera is Director of the ELDOA Program as reformatted by Guy VOYER, DO.

Scott and Claudia wish to thank our Dallas clients for their patronage and all the practitioners who travel from near and far to be a part of the new ELDOA program, Practical Application Workshops and the Professional Development Series. We are grateful for your enthusiasm and participation and look forward to continuing our relationship.

The poinsettia is a small Mexican shrub named after Joel Roberts Poinsett, first U.S. ambassador to Mexico and the amateur botanist who introduced the plant to the U.S. in 1825.

WE WISH YOU EVERY GOOD THING IN THE NEW YEAR. HAPPY 2016!
